Critical Perspectives on African Politics

The South African Fallism movements – the student-driven protests against neocolonial structures in academic institutions – spearheaded public criticism with the current state of ongoing social disparity in South Africa and revived the critique of so-called rainbowism, i.e., the belief that a colour-blind society can be created.

Axing the Rainbow | Modern Africa: Politics, History and ...

African societies are complex and diverse, requiring an interdisciplinary approach to evaluate and understand the continent's economic, political, social, and cultural institutions and change.

Since the end of apartheid in 1994 the African National Congress (ANC) has dominated South Africa's politics. The ANC is the ruling party in the national legislature, as well as in eight of the nine provinces (Western Cape is governed by the Democratic Alliance). The ANC received 62.15% of the vote during the 2014 general election.
