The book is a novelization of the first series of the Aliens spin-off comic book (called Book One in the original trade paperback) written by Mark Verheiden which was released in 1989. At the time the comics formed a natural extension of the story as it was left at the end of the film Aliens.

Aliens: Earth Hive - Wikipedia

If aliens would come to Earth, this is what I'd say: "Dude, you crazy? Turn around and swiftly fly away!" Yes, telling up from down is hard in zero gravity, but travelling to Earth is outright clear stupidity. Let's all face it, planet Earth is quite the place to fear. Wars and death and plagues and rape are plentiful down here. Some ...
