Without exception, all religions revere mystics and teachers who have had personal experiences of God beyond the ordinary, everyday reality. Such personal experience of God is called the mystical experience. The word mystical is derived from the Greek muo, meaning to conceal. In a sense, the real manifestation of God is [...]

Virtual reality (VR) means experiencing things through our computers that don't exist. From that simple definition, the idea doesn't sound especially new. When you look at an amazing Canaletto painting, for example, you're experiencing the sites and sounds of Italy as it was about 250 years ago—so that's a kind of virtual reality. In the same way, if you listen to ambient instrumental or ...
