Therefore, the book and in fact this site are services themselves. Get informed about the \$this_title. We are pleased to welcome you to the post-service period of the book.

Black Mans Medicine By Muzi

The title of the book comes from the African adage that says “the black man’s medicine is a white man”—an egregious statement that implies that black people won’t do anything right unless there is a white man around. This book takes a tongue-in-cheek look. A politically incorrect and humorous read, this racial satire will challenge one’s perspective of today’s South Africa.

Black Man's Medicine by Muzi Kuzwayo

A politically incorrect and humorous read, this racial satire will challenge one’s perspective of today’s South Africa. The title of the book comes from the African adage that says “the black man’s medicine is a white man”—an egregious statement that implies that black people won’t do anything right unless there is a white man around.
