We have a emerson 19inch color TV/DVD/VHS model EWC19T2 to television. Channel changer is no working even though we changed batteries. Purchased a universal remote and tried it but nothing. Universal remote shows working. Disconnected TV from power source and plugged back in. TV still on channel 2 and unable to get it back on channel 4 to watch tv.

I've been cursed with having an emerson TV, and, like many others, I can't find a code that works with the remote. Does anyone know which code works with model number EWC19T4? It's a DVD/VCR combo from Walmart. Any help would be much appreciated. Feel free to e-mail if you have the code or post it on here. Thanks. Matt
