The Alert Program (ie, "How Does Your Engine Run?") teaches the man to fish! In our family, we started with just talking about it for about a week. Like this: - "Oh my, I am so tired this morning! I think I'll take a shower. Yes, that will make me feel more awake." - "You know Michael, I am running out of patience right now, and I feel angry."

How Does Your Engine Run

The Alert Program® has boiled down complex theory to create simple, practical solutions you can incorporate into your every day living. One of the analogies we use with children is, "If your body is like a car engine, sometimes it runs on high (hyped up), sometimes it runs on low (lethargic), and sometimes it runs just right (alert and focused)."
