Inside the Publishing Revolution | Guide books

Explores the history behind the modern publishing revolution, as seen through the lens of one of its most important players. This work takes you on a journey from the roots of the desktop publishing revolution through the rise of the Web and interactive design, the birth and evolution of PostScript, the explosion of the Photoshop market, and more.

Inside the publishing revolution : the Adobe story (Book ...

Inside the Publishing Revolution: The Adobe Story is laid out in a stellar manner with just the right balance between full color illustration and the black and white text. The text is the only thing I had a problem with. Pamela Pffnner really likes Adobe and as such the book reads like a bit of a love letter.
