of books and paywalled articles, but the site remains standing and open to the public.

## **Literature And Language Learning In**

Like most trends in the world of language teaching, the use of literature has waxed and waned depending on the times. For years, literature was used as one of the components of the grammar-translation method. This was the time-honored method that involved lots of conjugation, rote vocabulary learning and (you guessed it) translation.

One excellent way to try is to use literature as a mean of cultivating interests in English and the cultural background of the literature. The use of literature in learning English is not something new. It started getting traction in the late 80s and early 90s and has been used for teaching English to children as well as adults.
