Marx For Our Times Adventures

Written during the mid-nineties, a period of Western complacency and neo-liberal reaction, Marx for Our Times is a critical reading of dialectical materialism as a method of resistance. Without denying the contradictory character of Marx's thought, and with a sensitivity to the plurality of theories it has inspired, Daniel Bensaïd sets out to discover what in Marx remains dynamic and relevant in our era of accelerating economic change.

'The True Adventures of Wolfboy' Review: A Hirsute Teen ...

"The Voting Booth" is a fun, lighthearted teen adventure and love story, but it still taps into more serious topics with depth and maturity. The two characters are familiar -- even for those of us who are far from our teen years. Marva's passion for politics may seem a little over the top at times, but I can relate to her excitement.
