### Courses - Merton College

Merton College (in full: The House or College of Scholars of Merton in the University of Oxford) is one of the constituent colleges of the University of Oxford in England. Its foundation can be traced back to the 1260s when Walter de Merton, chancellor to Henry III and later to Edward I, first drew up statutes for an independent academic community and established endowments to support it.

### Merton College, Oxford - Wikipedia

Merton is one of the oldest and most beautiful colleges in Oxford with medieval and 17th-century buildings - including our 13th-century chapel - and glorious, extensive gardens protected by the city wall.

### Merton College | University of Oxford

Merton College is known as one of the most academic colleges in Oxford. It is consistently near the top of the inter-college league tables and a huge proportion of students come out with firsts. Whether this is because they have everything they need in Merton and never leave to go shopping or get drunk like the stereotypical student, remains to be seen, but Merton is certainly worth a visit.

Welcome to Merton College. Our community of scholars, founded in 1264, formed the model for all subsequent Oxford and Cambridge colleges. Since then we have fostered generations of academic and cultural leaders in many fields. Today we still aspire to excellence in our teaching and research as a vibrant and diverse intellectual community.

### About Merton | Merton College, Oxford

Merton College Chapel is the church of Merton College, Oxford, England. Dedicated to St Mary and St John the Baptist, the chapel was largely completed in its present form by the end of the 13th century. The building retains a number of original stained glass windows, and is noted for its acoustics.

Merton College told Penfield he could try again in September. In the meantime, he enrolled at Harvard University in Boston for medical training. A medical lecturer told him if he came along at 8 a.m. every morning, he would give him a daily hour-long Greek lesson. And so every morning, surrounded by dead bodies awaiting dissection by students ...
