Green Coffee Classification and Grading. 1) Specialty Coffee Association of America (SCAA) Green Coffee Classification. The green coffee classification standard provided by the SCAA is an excellent method to classify coffees. It is superior over some systems in that it better accounts for the relationship between defect and cup quality.

Green Coffee Classification and Grading

skill for all coffee cuppers. Another option would be to perform a difference test (which is which?) or ask a candidate to participate in a triangle test (two of the three samples are the same—pick the odd one out). See the SCAA's Coffee Cupper's Handbook (pages 31, 34 and 35) for additional testing options.
