Share: The Cookbook that Celebrates Our Common Humanity (Women for Women International) is an inspiring book that is far more than a cookbook. Share highlights individual women who have overcome desperate situations caused by war and conflict. Many of these women live on less than \$1 a day. These women share, in their own voices, the trials and tribulations they have faced and the difference that Women for Women International (WfWI) has made in their lives. WfWI provides women across the ...
