The politics of foreign aid - Brookings

While placing the emphasis on the political system as a whole--its components, the relative power of actors in the system, and the manner in which they interact to create policy--the author presents a detailed and enlightening picture of the attitudes of the general public, the political parties, the pressure groups, and Congress itself to the issue of foreign aid.

The Politics of American Foreign Aid: O'Leary, Michael ...

The Politics of Foreign Aid discusses how the appropriation of foreign aid is often controlled by lobbyists and U.S. domestic concerns rather than by Israeli needs. This clear and thorough examination begins with a description of the objectives, major programs, and historical background of U.S. aid to Israel--military aid, economic aid, and private grants and subsidies.
