The worst scenario in the analysis above would help the community hospital to gauge whether or not they were willing to bear the risks from the invested amount. The worst case would happen if there were other hospitals in the area that offered more quality services for their outpatient

surgeries thus posing great competition for Twin Falls.

CAPITAL INVESTMENT ANALYSIS - TWIN FALLS HOSPITAL Article

2 The hospital currently owns a parcel of land that is a perfect location for the surgery center. The land was purchased five years ago for \$350,000, and last year the hospital spent (and expensed for tax purposes) \$25,000 to clear the land and put in sewer and utility lines. If sold in today's market, the land would bring in \$500,000, net of realtor commissions and fees.
