Pretty much any cause for an apocalypse requires long, comfortable clothing. You want a long-sleeved shirt and pants to protect your skin from predators, yes, but also from the sun and treacherous terrain. The apocalypse is no time to work on your tan. If you have time, grab a pair of boots. If you don't have boots nearby, go for tennis shoes.

Apocalypse NOW Lance-186-203032 31 July 2016. A random series of establishing shots for post-apocalyptic movies that never get started, Homo Sapiens is more a slide show than a movie; yet, it's hypnotic and thought-provoking. Vacant malls, theaters, temples, groceries, neighborhoods, and parking lots are the stars here, no humans are to be seen.
